"Proud to Belong"

Friday 3rd November 2017

Dear Parents

As you are aware, we had an Ofsted inspection on 3rd and 4th October 2017 across both sites (Roe Green Infant School and Roe Green Strathcona School).

The report has now been published and we are pleased to say that we are deemed to be a 'good' school.

Since the last inspection 7 years ago, as the report notes, our school has greatly changed as we are now one school across two sites; with our age range now including KS2. Our 'new' school has been running for three years and we are delighted that this full report reflects the journey that we have been on since the last report.

As the report highlights, we will continue to build on our strengths and work to ensure continued improvements in our children's outcomes. We are proud that inspectors saw that our children are eager to come to school and clearly enjoy taking part in the full and varied curriculum that we provide.

If you would like to read the full report, a copy is available on the school's website as from today.

Thank you for your continued support.

Yours faithfully

Nicole Lobo and Gloria Amadi
(Headteacher) (Chair of Governors)
