## NEWSLETTER

11th June 2021

PROUD TO BE, PROUD TO BELONG

### This week in Reception...

We have had so much fun this week mapping our journey to school and talking about landmark features such as a telephone box, post box and particular shops or buildings we pass on our way to school. We have talked about living in a suburb of London and in order to visit London we would need to take a tube, bus or buses, car or taxi. We have recapped our knowledge about placing a quantity to a number and worked on forming numbers in the correct orientation.

### Local Events:

As the weather is expected to be fine a local attraction is the funfair which arrived at Roe Green Park.  
Hamley's Toy Shop in Regents Street is always a real hit with children and adults alike. It has 7 floors of toys of every description.  
Our topic this term is all about London. If you have a photo of your journey to London we would appreciate a copy to share. Otherwise if you feel comfortable visiting London, please record what features you see.  
Another local feature is the Welsh Harp recreation park and a visit to the garden centre to see the fish is always a highlight. Perhaps you could map your journey noting features on route.

### Reception Learning for Week Commencing 14th June 2021

#### Personal Social & Emotional Development

- We are learning about things we are good at and the importance of a healthy diet

#### Physical Development:

- Using our bodies to create numbers with a buddy
- Handwriting - forming letters correctly, Number formation

#### Literacy/Communication and Language:

- Comparing where we live to the city of London.
- Taking a role a character from the story to re-enact the story
- Making predictions of what will happen in the story next

#### Mathematics:

- To think of a variety of ways to make number 6—10 and bigger

#### Expressive Arts:

- We will be thinking our father and creating a Father's Day card.
- In music we will be learning a rain drop poem using musical instruments

### Things to practise at home:

In order to assist what we are learning at school, please could you work on these things daily

- All letters and sounds, diagraphs & trigraphs
- Numbers - counting, recognising, ordering and writing (correct formation)
