31<sup>st</sup> December 2020

Dear Parents and Carers

On Wednesday 30<sup>th</sup> December 2020, the government issued a statement saying that primary schools in areas with the highest coronavirus infection rates will remain closed temporarily.

Brent is one of the London boroughs in which it has been said that primary schools will remain closed at the start of term, possibly until Monday 18<sup>th</sup> January 2021, except to the children of critical workers and vulnerable children.

If you believe that the nature of your job makes you a critical worker, please email the school by **Monday 4<sup>th</sup> January 2021** with the necessary evidence.

Parents whose work is critical to the coronavirus (COVID-19) and EU transition response include those who work in health and social care and in other key sectors, which are outlined in the "Critical Workers and Vulnerable Children Who Can Access Schools or Educational Settings" document. This can be accessed using the following link:

Thank you for your attention with this matter.

We send you our very best wishes for a happy new year.

Your faithfully

Nicole Lobo
